SUMMER 2008

Addition to Jordan River Trail system at 1250 West

This Salt Lake City sponsored local government project improves an existing section of trail near the Jordan River to provide increased recreational and transportation options for cyclists and pedestrians. UDOT will oversee the construction of this project.

Improvements include:

- An improved parking area, including concrete walkways and landscaping
- A bridge crossing the Jordan River
- Lighting in the parking area

Current identified budget: \$500-thousand

NOTE: Schedule information is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Municipality: Salt Lake City

Take care of what we have • Make the system work better • Improve safety • Increase capacity
